01/05/2020

A chara,

As another week of school closures comes to an end I hope you and your family are well. This week, teachers have been in contact with you to see how things are and to get consent for using the online learning platform Seesaw. As part of their usual practice of uploading a weekly timetable of work on the school website, teachers will also assign one simple Seesaw activity on Tuesday next and another one on Thursday. These activities are a nice way for your child to interact with their teacher and are optional to your child.

It is important to remember that children are learning all of the time. Learning is not confined to what is contained within school textbooks. There are countless opportunities for learning in the home environment. This is also a time to revert to basic, life skills.

If internet access is proving to be a challenge to you, we can arrange to have an activity pack with worksheets posted out to you for your child(ren). Please contact the school if you would like us to arrange this (ballinagarns@gmail.com).

If you would like to discuss something with me or a teacher, please email the school so that this can be arranged.

Please mind yourselves and each other and enjoy the extra time with your families.

Le gach dea-ghuí,

Alan Plunkett and the teaching staff.
